

Dear Sir or Madam,

Statement of item Industrietechnik GmbH on California Proposition 65.

Unfortunately, we cannot confirm product conformity according to this directive.

The products of item GmbH are not consumer products. This is our strongest argument in this very lively directive, which is subject to constant change.

The products of item GmbH are durable commercial/industrial goods and are marked as such in the product portfolio.

It is intentional and technically not necessary that our products do not in principle release chemicals to people when used as intended.

Yours sincerely  
item Industrietechnik GmbH  
Dipl.-Ing. M. Allwicher
